UNITED STATES OF AMERICA  
NUCLEAR REGULATORY COMMISSION

BEFORE THE ATOMIC SAFETY AND LICENSING BOARD

In the Matter of )  
 )  
DTE ELECTRIC COMPANY ) Docket No. 52-033-COL  
 )  
(Fermi Nuclear Power Plant, Unit 3) )

PREFILED DIRECT TESTIMONY OF ADRIAN MUÑIZ  
SPONSORING THE ADVANCED FINAL SAFETY EVALUATION FOR CHAPTER 17,  
“QUALITY ASSURANCE”, OF THE FERMI 3 COMBINED LICENSE APPLICATION INTO  
HEARING RECORD

**Q1. Please state your name, occupation, and by whom you are employed.**

A1. My name is Adrian Muñiz. I am a Project Manager in the Nuclear Regulatory Commission's (NRC) Office of New Reactors, Division of New Reactor Licensing. A statement of my professional qualifications is attached hereto as Exhibit NRC S15.

**Q2. Please describe your responsibilities in relation to this review.**

A2. As the NRC Project Manager for the safety review of the DTE Electric Company (DTE or Applicant) application for a combined license (COL) at the Fermi site in Monroe County, Michigan, I was responsible for overseeing the preparation of the Advanced Final Safety Evaluation Report (SER) for Chapter 17, ‘Quality Assurance’, for the Fermi 3 COL application, The chapter of the SER was submitted to the Advisory Committee on Reactor Safeguards (ACRS) on September 22, 2011, and released to the public on October 17, 2011.

**Q3. What documents are you sponsoring into the record of this proceeding?**

A3. In my capacity as the Project Manager for the Fermi 3 safety review, I hereby sponsor the introduction of the SER for Chapter 17, ADAMS Accession No. ML112630120, into the record of this proceeding as Exhibit NRC S1.

**Q4. Is this document final?**

A4. This document represents the Staff's completed review of quality assurance (QA) issues related to Fermi 3, and it has been submitted to the ACRS. The ACRS did not have any questions that will result in changes to the chapter. The Staff therefore does not anticipate any changes to this document before Chapter 17 is incorporated into the final SER for Fermi 3.

**Q5. Does this conclude your testimony?**

A5. Yes.

**Q6. Do you hereby certify under penalty of perjury that the foregoing is true and complete to the best of your knowledge, information, and belief?**

A6. Yes. I hereby certify under penalty of perjury that the foregoing is true and complete to the best of my knowledge, information, and belief.

**Executed in Accord with 10 CFR § 2.304(d)**
