

# **FREEZE OUR FUKUSHIMAS!**

## **DANGER**

## **Moratorium Before Meltdown**

The U.S. Nuclear Regulatory Commission has refused to grant communities around GE Mark I and Mark II Boiling Water Reactors public hearings on the known safety risks.

### **Don't take 'no' for an answer!**

### **Join the Beyond Nuclear campaign to Freeze our Fukushima!**

Mobilize!

Hold town hall meetings

Pass city resolutions

Hold rallies and vigils
